

Redefining comfort, style & quality
Take a look at our exciting new 2020 range of residential lodges

Welcome

to the 2020 range of Delta residential lodges

Our philosophy at Delta is to give our customers what they want, when they want it, at an affordable price.

Delta Caravans International, manufacturer of static caravans was established in 1983. The Company started with just 10 employees. Today Delta Caravans International employs 150 people on a 8.5 acre site on Leads Road in Hull. In 1992 Delta began exporting static caravans to the Benelux countries which has grown substantially and continues all the year. In 1999 considerable investment took place in machinery and manufacturing capacity. In recent years we have gone from strength to strength, as well as supplying major caravan parks all over the UK we also export our state of the art quality holiday homes all over the world. Our range of stunning residential lodges have also proved to be very popular and are also built to a very high quality with a very modern contemporary feel. At Delta Caravans International we pride ourselves on supplying high quality at an affordable price.

Quality residential lodges for all seasons

When buying a residential lodge from Delta you can be confident in the knowledge that it has been designed by talented designers at the forefront of their industry and built by time served craftsmen using state of the art equipment and the highest quality materials. Delta residential lodges are built with pride, skill and innovation, they are made to last and truly are a home for all seasons.
